**Saturday, November 15, 2014**  
**Raleigh Convention Center**  
NCHSAA Member Schools Invited  
Divisions for  
Varsity and JV

The NCHSAA invites you to compete at the 12th annual Invitational Cheerleading Championships – the largest high school cheerleading championship in the state of North Carolina. This event has become a tradition for North Carolina schools and it's popularity shows as each year the performances completely jam-pack a full day in the beautiful Raleigh Convention Center! Plan to spend the whole day if not the whole weekend exploring the city's amazing features...when you are not being entertained by cheerleading! It's going to be another exciting year for cheerleading...Get READY for it!

## GENERAL

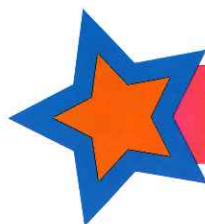

All participating schools must be a member of NCHSAA in good standing. All competitors and alternates must meet state and local eligibility requirements. All teams must support an interscholastic athletic program in order to be eligible.

NO cross competing (i.e. a cheerleader may not compete on a Junior Varsity AND a Varsity team).

The schedule is set based on the recommendations of the NCHSAA and its policies and standards. Cheer Ltd sets the division orders to best suit fair and consistent judging between 2 full panels of judges. A preliminary and final order is emailed to each team's head coach (as listed on the registration form).

More information including judging, score sheets, deductions, safety, scoring grids, list of hotels, R-Line map, and general event order are available at:

## Divisions

Junior Varsity and Varsity teams are invited. (See back for a complete list of divisions.)

**IMPORTANT:** Select the correct division for the number of competitors on the team, and any other applicable specifications - Coed, Non-Tumble, or Non-Mount.

Competition Guidelines are available at [www.cheerltd.com](http://www.cheerltd.com). NCHSAA reserves the right to change and/or combine divisions based on registration.

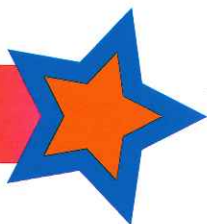

The head coach, as listed on the registration form, will be notified prior to competing if a change is made which affects his/her team.

Divisions that are not currently divided into "Small" and "Large" may be split as follows if registration allows:

SMALL 5 - 15 competitors

LARGE 16 - 36 competitors

## Event Info

Competition surface is a 9-panel (42' x 54') standard cheer mat.

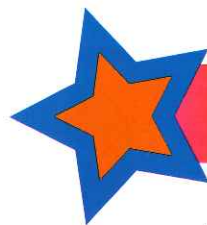

All competitors and routines must comply with the 2014-2015 NFHS spirit safety rules and guidelines. Please refer to the competition guidelines at [www.cheerltd.com](http://www.cheerltd.com) for safety infraction information.

Routine time limit is 2:30. Routines exceeding the maximum time limit will be subject to a 1 point per second deduction (max 10 points). Points will be deducted after a 5 second grace period.

The NCHSAA has elected to require a break in music for cheer and/or chant. This non-music portion must be a minimum of 45 seconds. Routines not following this routine guideline will be penalized 10 points (no grace period). Replay is available to the judges to verify routine times.

Teams are responsible for their own music and must provide a person to control (start/stop/pause) all music. Bring a back up copy of all music. Music must be on either a standard CD or Ipad. If music is on an iPhone or other device with multi-functionality and messaging, all services must be stopped (or airplane mode enabled) to avoid interruptions in the music.

All judging is final. Coaches are encouraged to contact Cheer Ltd with any performance questions PRIOR to competition day or compete at an event that utilizes the same scoring and judging system to best prepare.

Late fee is a \$10 per competitor (for a total of \$35 each).
