Re: Late School Schedules and Booking Fees

Mark:

In response to your e-mail dated March 11, 2014, requesting information regarding schools not furnishing football schedules or paying booking fees in a timely manner, I am providing the following information from the 2013 football season:

Schedules:

I requested schools to provide me their schedules by June 1, 2013. The schools who had not responded by June 15, 2013 were:

<u>School</u>	<u>Date Received</u>
Albemarle	July 18
Atkins	July 29
Carver	July 23
Davie County	July 15
Dudley	July 15
East Surry	August 1
Forbush	July 22
High Point Andrews	August 9
Morehead	July 31
North Forsyth	July 22
North Moore	June 17
North Rowan	June 27
North Stokes	July 11
Northern Guilford	July 15
Page	June 27
Providence Grove	July 11
R.J. Reynolds	July 18
Randleman	July 16
Reidsville	July 27
Salisbury	July 2
B. L. Smith	July 17
South Davidson	July 9
Southern Alamance	June 17
Thomasville	July 19
Walkertown	July 17

West Stokes	June 17
Western Guilford	July 23
Wheatmore	July 1

Booking Fees:

I requested the booking fees be paid by June 1, 2013. Several schools told me they could not pay until their new fiscal year started which I fully understand. Therefore, I have only listed those schools where I received booking fees after July 15, 2013:

<u>School</u>	<u>Date Received</u>
Albemarle	August 30
Carver	July 23
Dudley	September 27
East Surry	August 1
High Point Andrews	August 23
Jordan-Matthews	July 19
Morehead	July 31
North Forsyth	August 3
North Rowan	August 8
North Stokes	August 9
Randleman	August 2
B. L. Smith	July 25
Surry Central	October 5
Thomasville	July 24
Walkertown	July 20
Western Guilford	July 18

Scrimmage Fees:

I do not bill scrimmage fees until after the scrimmages are complete and we know the exact amount due. Many schools pay promptly and several schools require a second notice. I do have one situation that I want to share with you. Dudley High School hosted a scrimmage on August 14th. I initially sent the bill on September 8th. I sent additional requests on October 6th, November 11th, and December 6th. As of today (March 17, 2014), I still have not received payment for the scrimmage held on August 14, 2013!

I trust the above information is responsive to your request.

Subject: RE: Agenda item

Mark-

Regarding schedules, wrestling is a little unique. There are many different kinds of events and different ways for kids to get in competition. Schedules often change during the season and so long as we get sufficient notice it's not a real big problem. (I have always been extremely accommodating, to encourage competition and gets kids matches.) I don't think I have ever charged a fee to make changes (even though that happens all the time.)

I do not have a firm number on late schedules. I would say that probably ten of fifteen schools (out of 50-some) do NOT get me sufficient information to make the bookings prior to the start of the season.

Regarding Booking Fees, I have at least six (6) schools last year take well into the season to pay the fee. Last year they were:

Southern Durham
West Johnston
East Wake
Franklinton
Hillside
NC School of Science and Math

ALSO---- Can you tell me when the Regional Supervisor's meeting at the NCHSAA offices will take place this fall? (Last year it was the first week of October.) I am looking at some Fall travel and want to ensure I am available for that.

Thanks,
Dave C

Mark

Sorry that I didn't keep up with the dates that schedules were turned in. I probably had less than 75% of them by the December 15th deadline. Charlotte Catholic and Providence were extremely late. As far as fees being paid. I still haven't received anything from Porter Ridge and Queen's Grant. The following schools paid after 3/1: Hickory Ridge, Northwest Cabarrus, South Rowan, West Rowan, Jay Robinson, Anson and Sun Valley. I hope this is helpful sorry about the lack of information on schedules. I wish you could make a proposal for a sunny spring.

Julie

On Mar 11, 2014, at 5:01 PM, Mark Dreibelbis wrote:

NCHSAA Regional Supervisors:

I am proposing an agenda item for the upcoming spring NCHSAA Board of Directors meeting. We have recently implemented schools that do not pay fines are not eligible for playoffs...issue cleared up immediately. We have just enacted that schools not paying their membership dues by stated Handbook deadlines will be ineligible for playoffs. This goes into effect for the 2014-15 year and will have the intended results.

I would like to propose that schools who do submit their schedule to NCHSAA Regional Supervisors by Handbook deadline will face a \$100 fine. Additionally, I will propose any school that has not paid their Regional Supervisor the required booking fee prior to the start of their schedule, will not have any games booked until the fee is paid in full to the Regional Supervisor. We have had to institute the latter in terms of protocol, but I would like it to be a Handbook regulation.

Thus, I need documentation to support this proposal. If you have had schools late in submitting schedules and/or making payment to you, I need them listed individually so I can share with the Board. I am tired of our efforts not being supported and I want to support you as best possible. This won't be popular, but it is a business and we need to expect accountability and professionalism to the same level as is expected in our performance and support to our member schools.

I would need this by March 24.

Thank you!

Mark

To: mark@nchsaa.org
Subject: Re: Agenda item

Mark, in response to your email, the following schools paid their booking fee after commencement of the regular season:

N Pitt HS - still awaiting payment
 Kinston HS - still awaiting payment
 S Central HS - pd last week
 Rose HS - pd last week
 Conley HS - pd last week
 N Lenoir HS - pd after season began
 S Wayne HS - pd after season began
 Rosewood HS - pd after season began
 Goldsboro HS - pd after season began

I did email reminders to the schools about the fee and admit my frustration in having to chase down payment.

Regarding submission of schedules, most schools submit in a timely fashion. I would say that I would rather have an accurate schedule submitted a few days late rather than an inaccurate schedule that I'll have to change 5 times. I do have some empathy for the schools in this regard. A few (at least in the East) don't know if they will have enough to field a team until tryouts. Most don't know about a JV team until tryouts, and schedules for JV teams are very inexact since they don't know what other schools will field a JV team. For these reasons, JV schedules come together late. In short, there are some valid reasons at times in delay submissions of schedules.

Hope this helps and let me know if you need anything further. Thanks for your work.

Subject: Wallwork Agenda Item : Cox Mill schedule finalized 2/21

Mark,

Soccer schedules are always in a state of flux and in a constant status of change as indicated below by the finalized schedule that was sent on February 21 five days before the first game.

The email below is a typical example of where AD's are in finalizing and submitting their soccer schedules. I'm not throwing Brian under the bus only using him as an example because so many teams canceled their JV's at the last minute in the spring.

My prediction of what will happen is that all schools will submit their schedules by the May 15 deadline. However what they submit will most likely have 50 to 65% changes made before the season starts. The only valid games will be the conference matches that closely follow the football schedule. And about 20% of those conference matches get changed at some point.

I probably have pretty good records of when schedules have been received. How far back in time would you like me to go?

Funny story, in spring of 2013. I had one athletic director so rushed to get me a schedule (I believe it was the first week of February) that she sent a copy of the 2012 schedule. I called her on it, the only thing she changed was the date at the top of the page. LOL

All the best,

Alan

To: Mark Dreibelbis
Subject: RE: Agenda item

Mark,

The schedule issues that I had last season were as follows:

Pine Lake Prep. They were late with their schedule because they were trying to locate a home venue and smaller schools to book in the area. The final schedule was set just before the season. I did have the conference schedule well in advance of the deadline. I didn't have any problem with this and cut him some slack since the program and AD were new. (So was I, so I was learning in "real time".

Community School of Davidson. Schedule issues as well because they were having to locate home venues within the Mecklenburg Co. school system. Again, I was aware of the dates, but not the locations. Not a real issue because it too was a first year program.

PROBLEM: I received my booking fee from Pine Lake Prep on November 14, after the regular season. I sent them three "past due" notices after the original invoice was sent to them on June 1. One issue that I believe caused this problem was that, if I remember correctly, I was paid by the Booster Club, not the school. The charter schools seem to have different funding structures than public school counterparts.

Mark

About 2/3 submit schedules on a timely basis as well as pay. But there is always exceptions. Telephone calls as well as email reminders always have to be sent.

I received Rose High payment last week.

I have not gotten a schedule from South East Halifax yet. I did get a call today and they they have a game tomorrow. It is all being taken care of.

Problems do exist with J V schedules. They never know who is going to have teams and who will not. This should be understood.

Thank you for your proposal. Teeth needs to be put into a realistic date.

Make sure you add the word not in your request...see below :)

As requested, here is our documentation.

Schedules Received after May 15th

Sun Valley – May 21st
 Cuthbertson – May 22nd
 Porter Ridge – May 23rd
 Charlotte Catholic – May 24th
 Northwest Cabarrus – May 28th
 Anson – May 28th

FYI - Many schools did not have their schedules completed but sent me what they had on or before May 15th -- Also, numerous changes were made after the May15th deadline.

Assigning Fees Not Paid Prior to the start of the Season (8/22)

East Rowan – Aug 24th
 CMS (all since they were under one invoice) – Aug 27th
 Jesse Carson – Aug 29th
 A L Brown – Aug 30th
 Cox Mill – Aug 31st
 Jay M Robinson – Sept 6th
 South Rowan – Sept 11th
 Stuart Cramer – Sept 11th
 Hunter Huss – Sept 11th
 Union Academy – Sept 13th
 Sun Valley – Sept 13th
 South Point – Sept 13th
 North Gaston – Sept 17th
 Charlotte Catholic – Sept 17th
 Anson – Sept 17th
 Northwest Cabarrus – Sept 19th

Good Luck! Hope this helps!

Rodney

I sure hope that you can do this.

I still 9 schools that haven't paid me any money and we are in week #3.

West Stanly, West Rowan, Piedmont, Porter Ridge, Anson, Cox Mill, Mount Pleasant, North Stanly and Northwest Cabarrus.

5 others sent their money in last week.

Also, I like the deadline for schedules, but can you put in the final schedule on that date.

A lot of schools put in TBA on opponents and times.

West Stanly has changed their schedule 4 times thus far.

We also have some AD's that haven't accepted our arbiter invites.

Other than that everything is fine.

Thanks Mark for everything that you do to make our jobs easier!

Subject: Re: Agenda item

Mark,

For Charlotte area boys lacrosse, I don't keep a detailed record of who submitted/paid late. To the best of my recollection at this point, the following are the teams and approximate dates that I believe submitted after the 12/15 deadline.

Al Brown - mid February
 Ardrey Kell - Late December
 Community School of Davidson - mid January
 Lake Norman HS - early January
 Mooresville HS - early February
 Myers Park HS - late January
 Providence HS - mid February
 South Mecklenburg HS - late December
 Sun Valley HS - early January
 Weddington HS - mid January
 William A Hough HS - early January

To be fair and for full disclosure, some of them emailed me their schedules before sending in the registration form and fees. I would have to dig deep into my emails to come up with which exactly which ones they were but off the top of my head, Ardrey Kell, Lake Norman, South Mecklenburg and Providence come to mind.

Hope that helps.

Mark,

I am 100% in support of this action item and will send you data later today. However, a few considerations:

1. Will a penalty be imposed for a school who submits their money before the date BUT NOT their schedule? I get this all of the time.
2. I get schedules before the due date and then the schedules are amended several times (even after the first start date) which are not weather related. Will the change fee be instituted?
3. What do you do in the event a team adds a JV or realizes they do not have the numbers to field a JV? Start times have to be amended. Will a change fee be instituted for this situation. Personally, I am all in favor of student-athlete participation so I don't want to penalize a school but at the same time we need to be fair to the officials.

I am so happy to see this item be brought in front of the board! I will get you data later today.

Let me know your thoughts?

Mark

Subject: Late Summary

Of the 73 schools I cover, I have yet to receive payment from 3 schools.

19 schools submitted their schedules after December 15 (this includes the 3 I have yet to receive payment from)

5 schools submitted their contract and payment on time but with no schedule.

In summary 49 of the 73 schools I serve had their contract, payment, and schedule in on time (December 15). That is 67.1%

Let me know if you need anything else.

Mark,

Tom and I discussed this issue. We do have a few schools that are habitually late with their schedules. They are as follows:

Hertford County High School – volleyball, boys soccer and girls soccer
 Bertie County High School – volleyball
 Creswell High School – volleyball, baseball and softball
 Mattamuskeet High School – volleyball, baseball and softball
 Plymouth High School – volleyball, baseball and softball

From what Tom tells me he really does not have any problem with any of the schools paying the booking fee prior to the start of any season.

I'm looking forward to seeing my name in that To: group. Thanks for all you do for us!

Mark,

I can provide some data....and from my limited (just a few years working this position) perspective it appears many of the schools/AD's don't even read the handbook....thus are not even aware of the dates.....for example, only one of five schools contacted me prior to 15 Dec.....the date stated in the handbook for submission of schedules/fee's etc....I sent out reminders soon thereafter.....

Thanks for representing us...

Steve

Subject: Re: Agenda item

Mark as you know Page HS has been a problem for me every year even as I have moved my registration date back each year. In regards to having a fine for late schedules you will need to move the date back from the current 12/15 that is shown in handbook. I had maybe 3 out of 23 schools turn in schedules by 12/15. I would look at setting the schedule date as the same as the registration date which should be 2 weeks before opening day. I would also like the board to look at moving the season back a week or two. Is it not possible to have the Championship games in June? I believe baseball runs that late. Last week I canceled games on 4 out of 5 days. The last two years the play-days have been rained out so I end up with 40 officials trying to work 1 scrimmage game in lieu of 40. Season could start around 3/15 in lieu of end of February. Just food for thought!

Subject: RE: Agenda item

We discussed this briefly on Saturday, but I'm not in favor of either proposal.

Maybe others are able to do it differently, but any schedules for BB and SB I receive before the deadline in the handbook are guaranteed to be wrong and/or incomplete. When I get additional schedules from them, they send an entire schedule and then I have to go through them to determine which games I already had. I would much rather receive a complete, correct schedule by January 15. Just my .02 worth.

As far as schools not paying the Regional Supervisors, this has never been a big problem for me. I do have some that may be tardy, but I will then send the invoice in care of the bookkeeper and almost always a check appears shortly thereafter.

By not sending umpires to call games until the Regional Supervisor is paid is being punitive to the wrong people. That keeps umpires/referees from working games and student athletes from playing games due to the lack of attention from administration. Just my .02 worth.

That makes a total of .04 of opinion you have gotten from me today.

Subject: Re: Agenda item

Mark,

The only school I am late receiving and **still have not** received a booking fee from is Pine Lake Prep. I also had issues getting their schedule - finally received it the 3rd week in February after numerous calls, messages, and e-mails to their AD, had to involve their headmaster to get the schedule because the AD said he thought they were booking with a non-approved assignor.

Other schools that I was late receiving a schedule from this year: Mooresville, Lake Norman HS, R-S Central, Hunter Huss, Highland Tech, Community Schools of Davidson, Forestview, South Point, and St. Stephens.

I sent my forms out via e-mail on 11/4/13 to give them a month and a half to fill out the information and get the schedules to me. I also listed the required date in the e-mail.

What is your stance on charging schools for rescheduling games after the schedule has been sent (page 148 - handbook)? I was asked yesterday by Highland Tech to add a game on 3/20/14 not on their original schedule. This issue doesn't happen often, but often enough to ask.

I appreciate your efforts to enforcing this date requirement and thank you for all you do.

Mark,

Getting Schedules and fees to the Regional Supervisor has not been a real problem with the established athletic directors and financial secretaries in the Central Area. **Late schedules were from the following school due primarily with the turn over in Athletic Directors.**

Garinger, Harding, Salisbury, West Charlotte, Sun Valley and Davie County. Late fees were sent by Salisbury, Sun Valley, Union Academy, all three schools had new athletic directors and/or finance directors, The listed schools had changes in athletic directors who were not familiar with the arbiter program. I visited Garinger, Harding, Salisbury, Union Academy and West Charlotte and was able to talk with the Finance Directors concerning payment to officials. A phone call to Davie County solved the problem. Everyone appreciated the help. Schedules and payments were promptly sent to me. NOTE: Sue Duran, Charlotte Mecklenburg Athletic Director, sends a check to cover all CMS Wrestling Teams. All Schools have paid their fees to the Central Regional Supervisor.

Payments to the Regional Supervisor has not been a problem. However, I like your proposal concerning getting the schedules and payment in prior to assigning officials. One big problem is the number of schools in football playoffs making it necessary to change many assignments in the first two rounds. I live with this situation and understand that schools make their schedules and then have the good fortune of making the football playoffs. There have been several situations where checks would not be written until a W-9 form has been received from the Regional Supervisor. When schools change Finance Directors and this can also slow down payment. I understand the situation of the paper work for getting paid. AD's cannot send out checks without the required paper work in the payroll office. Many of the problems have been solved by having the Finance Secretaries on the Arbiter Contact list.

I appreciate your concerns and enjoy working with you and the NCHSAA staff.

Bob Mauldin, Central Regional Supervisor.

We have recently implemented schools that do not pay fines are not eligible for playoffs...issue cleared up immediately. We have just enacted that schools not paying their membership dues by stated Handbook deadlines will be ineligible for playoffs. This goes into effect for the 2014-15 year and will have the intended results.

I would like to propose that schools who do submit their schedule to NCHSAA Regional Supervisors by Handbook deadline will face a \$100 fine. Additionally, I will propose any school that has not paid their Regional Supervisor the required booking fee prior to the start of their schedule, will not have any games booked until the fee is paid in full to the Regional Supervisor. We have had to institute the latter in terms of protocol, but I would like it to be a Handbook regulation.

Thus, I need documentation to support this proposal. If you have had schools late in submitting schedules and/or making payment to you, I need them listed individually so I can share with the Board. I am tired of our efforts not being supported and I want to support you as best possible. This won't be popular, but it is a business and we need to expect accountability and professionalism to the same level as is expected in our performance and support to our member schools.

I would need this by March 24.

Thank you!

Mark

Mark,

I ask for schedules on assigned dates (Dec 15 and May 15). Send out that info about a month ahead of time and remind everyone weekly to get them in. Sometimes have problem with charter schools but a gentle nudge helps. Adam Olmstead at Community School of Davidson is usually one of my last schedules in and all charters (CSD, Pine Lake Prep, Lincoln Charter, and Thomas Jefferson) send middle schools schedules late.

Booking fee invoices go out one month before season starts and usually get them in on time. I have threatened not to book games until I receive booking fees and that seems to work.

Has been the worst spring I can remember regarding re-scheduling games because of weather. Wonder how many booking agents actually charge the \$50 fee when a school abuses the policy of making changes not weather related? If you have any feedback, I would love to hear it. Have a great day!

Will gather info and send to you.
What about the issue of schools making wholesale changes in their schedules at this point? I know about the \$50.00 fee we can charge but I have never done that - maybe it's time.

Mark,

Hope all is well, and here are a few schools that I have had problems in receiving the schedules and Booking Fees.

Dudley - Still waiting on Volleyball Fee. Spoke with Joe Godette, he said they would be here this week. Numerous attempts, after this one will go in person to school and speak with Treasurer.

T W Andrews - Still waiting on Baseball Fee. Had to speak with Head coach to get schedule a couple of days before season started. Still have not received fees, said they were in the mail.

These are a few that I have tried to get. Andrews Coach Norris said The AD Jerald was suppose to send them. He gave me dates of first couple of weeks so I could get the team into the Arbiter.

Hope this helps you with your presentation to get something done. I would like to Thank you for what you do. Please confirm you received this.

Subject: Re: Agenda item

Mark,

Of the 11 High Schools I assign, only 2 (Murphy HS and Franklin HS) submit schedules prior to December 15th. This is typical every year, but mostly due to the fact that I have always given them until the first Monday in February (in my contract). I do this because schedules given to me prior to December 15th would be so inaccurate, that they would basically be useless.

The other issue I have is that half of my schools never know if they are having JV teams or not (baseball and/or softball). For that reason, I never invoice for booking fees until first or second week of March when that all becomes clearer. As example, Cherokee HS added a JV baseball team just today! I have already invoiced them so I sent an updated one today to include JV baseball (\$100), also charged them a re-booking fee for each game change to a Varsity/JV DH where umpires had already been assigned to work a single game.

I'm all for requiring an on-time schedule, but would that \$100 fine be paid to the NCHSAA or Regional Supervisor? Seems we would be the ones with the extra work if late. As for Booking Fees, if they have an on-time schedule, then I can invoice earlier so that would be great as well. No umps until fee is paid. I always tell them if they are unsure about JV teams, include them because its easier for me to delete them than to add in the arbiter.

I know I havent really given you what you are asking. I havent had any issues getting my booking fees. The schedules are the big thing. I would be more supportive of a \$75 re-booking fee. It seems I am doing those all of the time and it is a lot of work, not just a couple of clicks. Those JV games I had to add for cherokee, well one guy in one crew doesnt work the plate, so I had to take him off, find another ump on another game who can work the plate, take him off his original game, then assign them each to their respective new games. Its a LOT more than just a couple of clicks. If nothing else, take out the option for a school to pay a one-time \$100 to cover all changes. I'm losing money if anyone ever takes that option.

I think my schools could get schedules on time if they just got to work finding games earlier. I know the conference games can be done earlier, but they just need to find their non-con games earlier also. I support the late schedule fine as well as the no-fee paid, no-ump policy.

Subject: RE: Agenda item

Hello Mark,

I have a school in Yancey county (Mnt. Heritage) that will not pay until the season is totally over. I have Cherokee High that is a whole other problem that seems to be connected with the Federal Government/Cherokee Council. It has been a battle to get them to pay, their schedule is usually totally screwed up and this year, they refused to pay the officials individually and I had to bill them for their entire season first and they paid me a lump sum. I then paid each official.

I do not see a "due date" in this year's handbook and I assume it would be in the statement where the booking fee is stipulated. I feel that this is a great idea as well as the idea that schools must pay the officials either by check or ref pay.

Generally, my schools in the West are the slowest to pay and also the ones with the most schedule problems. They have conflicting dates and what school is hosting the match. Robbinsville and Swain are generally on top of their game, but Andrews, Hiwassee Dam, Hayesville and a mess. I normally have to send more than one booking notice. If they are in the football playoffs, I have learned not to bug them as it will do me no good but waste my time. I feel that the AD's should be on top of all of this, but I get a sense that they are also the football coaches and do not have time. If I deal with the wrestling coach (and if he is on staff), I seem to get more done as he bugs the AD.

My pay late schools this year were-AC Reynolds, Hendersonville High, Madison HS, Pisgah HS, Mtn Heritage HS

On another note, many schools in our area want our officials to fill out a W-9 before each match, which is not a problem for us, but they also want us to put our Social Security number on the paper. I told my guys not to do that as the information is already on Arbiter and we are not giving a stranger (normally the gate keeper) our SS numbers. I went round and round with several of them (AD's and bookkeepers) and had to give the SS over the phone after I got it off of the Arbiter site myself. The problem here is that they are not using/do not know how to use the site. I am not sure how they got to wrestling season without using Arbiter, but I can see when they log in (or do not log in). I am nice and help them out, but it is very time consuming. Many of the AD's go on the site and then funnel the info to the bookkeeper so that the bookkeeper never gets on the site.

I hope that some of this helps...thanks

Leigh Harris
