An individual may compete in both singles and doubles. Players must have played 25% at a position in order to be seeded at that position unless there is an approved issue, injury or illness. Proof must be provided at Conference Meeting prior to submitting line-up sheet to NCHSAA.

Line-up sheets are to be faxed or emailed to the NCHSAA office. The deadline for this ranking sheet to be received is the Monday prior to the first playing date for the dual team playoffs. **Conferences are responsible for verification of dual team line-ups before they are sent to the NCHSAA office. The procedure for verification is the decision of the conference. This procedure should eliminate any possible problems regarding stacking before the playoffs begin. A conference administrator must sign the dual team line-ups before they are submitted to the NCHSAA office.
