MEN'S REGIONAL QUALIFIERS: Men's regional team qualifiers will be based on conference determination. The number of qualifiers from a conference is based on half the number of teams participating in golf in that conference (without rounding up; i.e., 7-school conference qualifies 3 teams). Men's individual regional qualifiers are the top four individuals from a conference, not on one of the qualifying teams (must compete only as individuals). One team from the independent members will qualify and be assigned to the regional closest to their location plus one medalist not on the qualifying team.
