#1 Gibbons (18-2-1)

10-0

East Wild cards will be determined from conferences in the east, and west wild cards

from conferences in the west. They will be placed geographically within the east and west. Wild cards will not host unless playing another wild card. If this occurs higher seed will host. If equal seeds meet, follow priority. Independent charter schools will have an opportunity to qualify 1 team into playoffs by having a play in game at the wild card closest geographically to that team.
