Certification Statement: We certify that the above listed players are listed in order of ability and are in position as per dual team rules. All exceptions to the 25% rule for singles competition have been approved at the conference meeting due to provided proof (injury, illness, etc.).

Please list reason here:

Several injuries have moved everyone up. All comply with 25% rule except #5. If you want we can flip 5 & 6 and they would both comply. But that would be a stack.

Further we agree to abide by the NCHSAA Regulations under which this dual team playoff is to be conducted.

A high school team is comprised of 6 singles players competing in flights 1,2,3,4,5, and 6 singles; and 3 doubles teams (2 players each) competing in flights 1,2, and 3 doubles. An individual may compete in both singles and doubles. Singles players must have played 25% at a position in order to be seeded at that position unless there is an approved issue, injury or illness.
