

EXPERIENCE THE R-LINE

Experience the R-LINE, an eco-friendly approach to urban transportation. This FREE circulator bus service features hybrid electric buses that will connect you to restaurants, retail, entertainment venues, museums, hotels, and parking facilities in downtown Raleigh.

How To Ride

To get on the bus, simply wait for the R-LINE at a designated R-LINE bus stop. Buses run approximately every 15 minutes. The full downtown circulator loop takes approximately 30 minutes to complete. To get off the bus, pull the yellow cord located above the window as you approach your desired stop. This action alerts the driver that you wish to get off at the next stop. Exit the bus at your desired location and enjoy the rest of your day in downtown Raleigh.

Downtown Ambassadors

The Ambassadors work together to give directions, provide information on where to eat and what to see, distribute promotional material on downtown, discourage and report aggressive panhandling, and much more. They are easily recognizable in their red shirts.

To request a pedestrian escort, call (919) 368-7962.
