Ogden Nash - Poet

There was once an umpire whose
vision

Was cause for abuse and derision,
He remarked in surprise,

“Why pick on my eyes?

It’s my heart that makes the
decision.”

The Man In The Glass

When you get what you want in struggle for self

And the world makes you king for a day,

Just go to the mirror and look at yourself

And see what that man has to say.

For it isn't your father or mother or wife

Who judgment upon you must pass,

The fellow whose verdict counts the most in life

Is the one staring back from the glass.

Some people may think you're a straight-shooting chum

And call you a wonderful guy,

But the guy in the glass says you're only a bum

If you can't look him straight in the eye.

He's the fellow to please never mind all the rest

For he's with you clear up to the end,

And you've passed your most dangerous, difficult test

If the man in the glass is your friend.

The Man In The Glass

The Man In The Glass

You may fool the whole world down the
pathway of life

And get pats on the back as you pass,

But your final reward will be heartache
and tears

If you've cheated the man in the glass.

- As the mediating force during a contest, difficult situations require you to take control to maintain the safety and essence of the contest.
- Breathe...think about what you are going to do!
 - “Rules guy”
 - “Coach, did you not scout the 1-2-2 zone press?”
 - Homer/Bus ride...”I don’t know coach, but we got you by seven!”
- Address the situation; assert yourself and take responsibility for what you are saying and doing.

INSTEAD OF SAYING
“You missed that call.”

TRY SAYING
“Let’s talk about that last play. Tell me what you saw.”

INSTEAD OF SAYING
“You are not calling the same game as the rest of us.”

TRY SAYING
“We as a crew don’t appear to be on the same page; how can we fix that?”

EFFECTIVELY COMMUNICATING WITH PARTNERS

EFFECTIVELY COMMUNICATING WITH PARTNERS

INSTEAD OF SAYING
“You are talking way
too much to the
coaches.”

TRY SAYING, “We need to
be mindful of how much
we talk to coaches; our
actions might be
misinterpreted.”

Biggest complaint I get
in Playoffs with
“Neutral Crews.”

Mentor young officials
with the same patience
and understanding you
wanted early in your
career.

Jog rather than
sprint,

WHEN WE...

THEY SEE...

Can't keep
up...game has
passed you by.

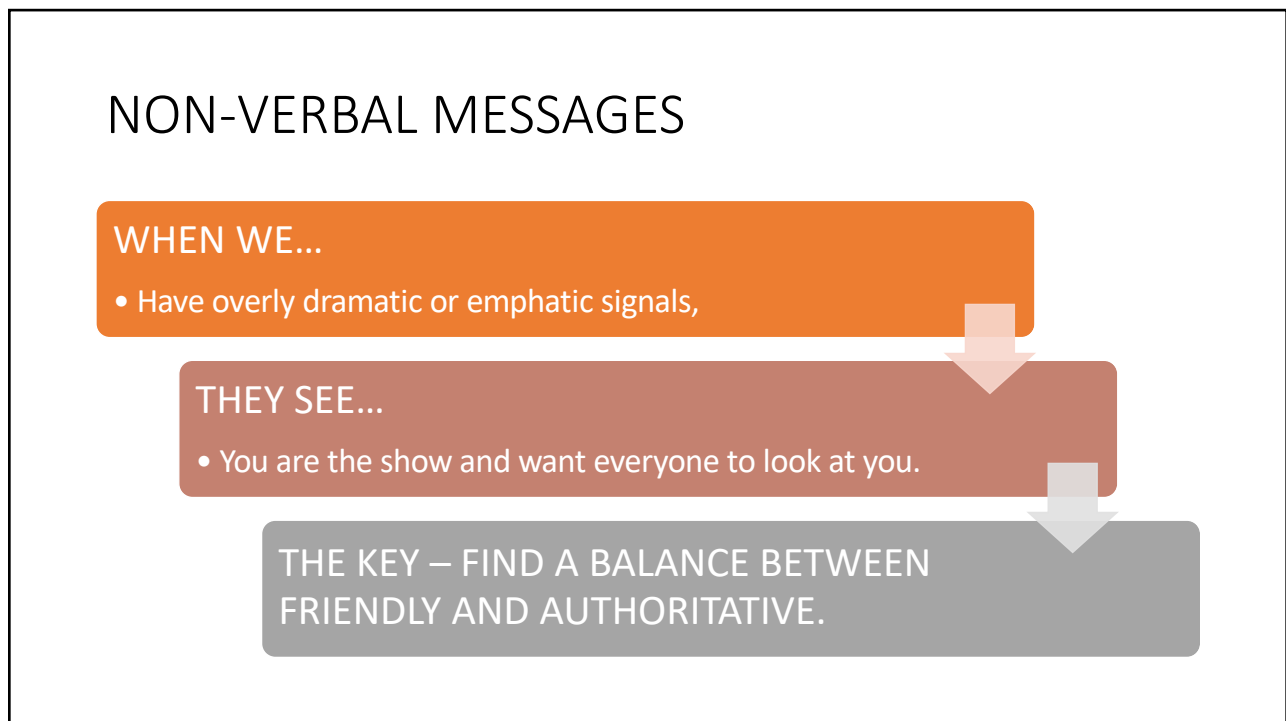

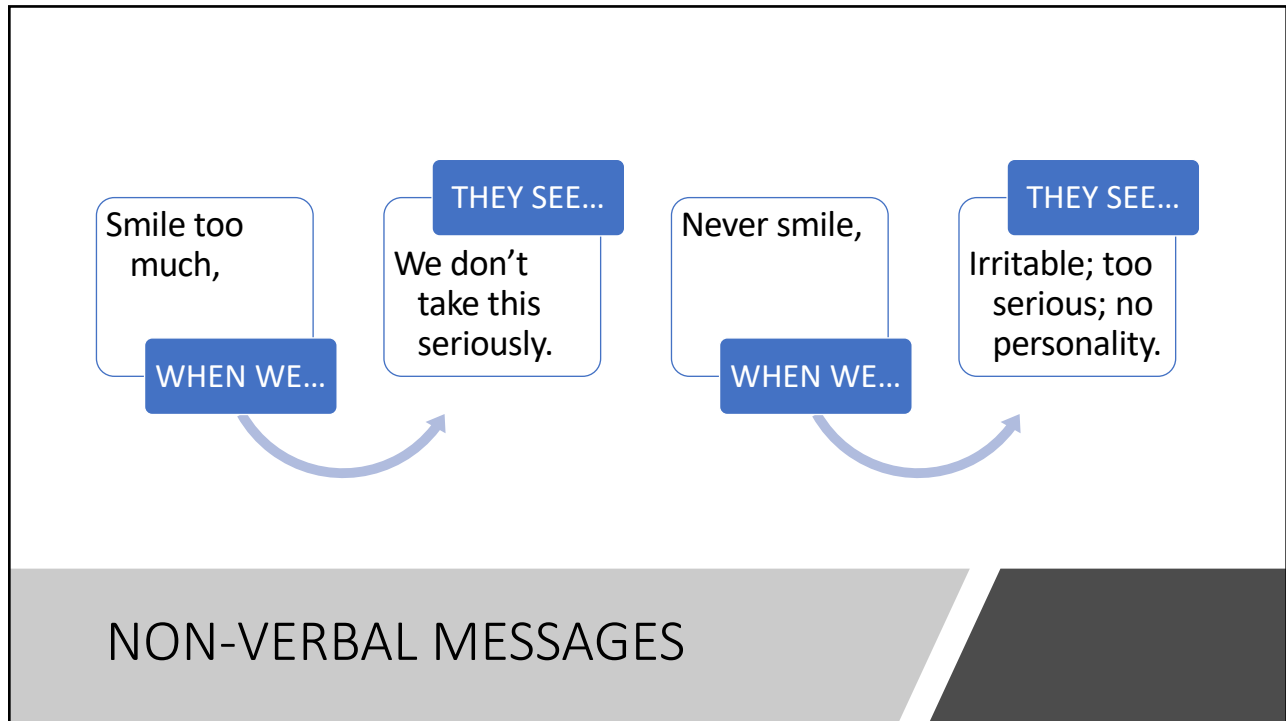

Saunter rather
than walk with
a purpose,

WHEN WE...

THEY SEE...

An attitude; we
don't want to
be there.

NON-VERBAL MESSAGES

EFFECTIVELY COMMUNICATING WITH OTHERS

Always be professional.

Don't be OVERLY friendly.

Don't be high maintenance.

Make requests...not demands. This is crucial to positive game management.

Everybody's job is important.

Keep your personal life to yourself.

BASKETBALL POINTS OF EMPHASIS

Points of Emphasis

HEAD BAND AND HAIR CONTROL DEVICES

- The headband and hair control device are often thought to be interchangeable. **They are not.** Each item has different guidelines to be followed as outlined in the rules book. Coaches and players need to be aware of the differences between the two items and this information conveyed to the players, so players are not found in violation of the rules.
 - A headband is defined as any item that goes around the entire head, it must be circular in design without extensions. The headband must unadorned, nonabrasive and be no wider than 3 inches. **Headbands have color restrictions (3-5-4a, b). They must be the same color as the sleeves/tights worn.**

www.nfhs.org

Points of Emphasis

HEAD BAND AND HAIR CONTROL DEVICES (CONT.)

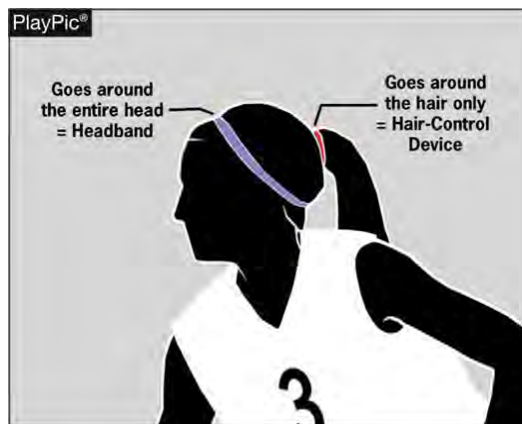

- A hair control device is defined as an item that goes around the hair such as rubber, cloth, or elastic bands. **Hair control devices have no color restrictions (3-5-4d).**
- Items, such as bobby pins, beads, barrettes, made of hard substances are not permitted to be used.

www.nfhs.org

- Hair control devices only go around hair, and do not have color restrictions.

www.nfhs.org

MEDICAL BRACELET

- It is the coach's role to know what the rules allowances and restrictions are, and ensure the players are properly informed.
- The head coach, by rules, must not permit a team member to participate while wearing an illegal uniform, illegal equipment, illegal apparel, etc.
- It is, therefore, incumbent on the coach to be sure the rules and restrictions have been reviewed by the team, including, allowable accessories.

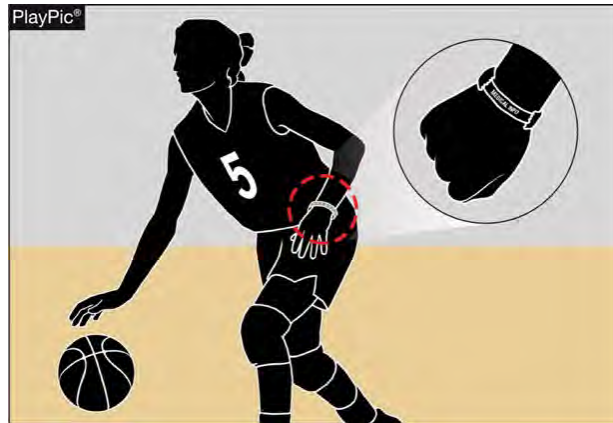

MEDICAL BRACELET

- Yes, it is also the officials' role to monitor the players, the uniforms and accessories. However, the head coach must be very much involved. The officials should not be placed in a position where they are often viewed as "being picky/searching for" illegal uniform and apparel items.
- By rule, the medical alert medal or bracelet must be taped to the person securely while the medical information is visible. Regardless of the type of material the medical alert bracelet is made of, it must be taped to the arm securely with the medical information visible. 3-5-7

Points of Emphasis

SILICONE/METAL BRACELETS

Silicone bracelets that provide medical information, like their metal counterparts, may be worn so long as the bracelet is taped down to the wrist with the medical information showing.

PRE-GAME MEETING WITH ADMINISTRATOR ON SUPERVISION AND CROWD CONTROL

It is a necessity to have an administrative representative to meet with the official crew prior to the beginning of the contest. This meeting will allow for communicating the expectations of each group. The contest officials are there to manage the contest which includes the players and coaches. It is the expectation that school administrators will manage the student body, parents and all other spectators.

Pre-Game EAP Review

- ▶ Purpose
 - ▶ Effective communication of Emergency Action Plan
 - ▶ EAP is required by Law (Gfeller-Waller)
 - ▶ Guide for administrators, coaches, officials and LAT/FR
- ▶ Conducted by the Game Day Administrator or Designee
 - ▶ The NCHSAA recommends that a hard copy or electronic copy of the venue specific EAP be provided to both the lead official and visiting team personnel.

Pre-Game EAP Review Card

All Events

- ▶ Who is the gameday administrator and what is their contact information?
- ▶ Is there a Licensed Athletic Trainer (LAT) and/or First Responder (FR) on site and what is their contact information? If a LAT or FR is not on site who is the most qualified person to provide CPR and first aid care?
- ▶ Has the Emergency Action Plan (EAP) been reviewed and where is the posted venue specific EAP located?
- ▶ What first aid and emergency equipment is available at the venue and where is it located? (e.g., first aid kit, AED/CPR equipment, spinal injury stabilization equipment, exertional heat illness management equipment, etc.)

Pre-Game EAP Review Card

Outdoor Events

- ▶ Who will be monitoring environmental and field/facility conditions during the event? (e.g., thunder and lightning, Wet Bulb Globe Temperature)
- ▶ Who will notify officials of unsafe environmental or field/facility conditions?
- ▶ Has the lightning or thunder disturbances safe shelter and evacuation route been identified?
- ▶ What is the Wet Bulb Globe Temperature, if available, at the beginning of the contest?

Points of Emphasis

PRE-GAME MEETING WITH ADMINISTRATOR ON SUPERVISION AND CROWD CONTROL

- Game administration is responsible to be proactive in crowd supervision and control. Administrators should address inappropriate spectator behavior before it escalates.
- Spectator behavior remains a critical concern. Too often, spectators are using abusive language toward coaches, players and game officials. Spectators are also approaching the court, team areas and locker rooms - places that used to be "off limits" - to confront participants.

www.nfhs.org

Points of Emphasis

PRE-GAME MEETING WITH ADMINISTRATORS/CROWD CONTROL

Game officials should meet with a school administrator prior to their pregame to discuss supervision and crowd control. **Game officials do not have responsibilities for crowd control.**

www.nfhs.org

Points of Emphasis

PREGAME MEETING WITH ADMINISTRATORS/CROWD CONTROL

Should a fan need to be removed during the contest (PlayPic A), game officials should notify school administrators and allow school administrators to handle the problem (PlayPic B).

Playoffs/Seeding - Berths and Qualifications

- (a) Lacrosse, Tennis and Wrestling will use pre-determined brackets which will be posted on the NCHSAA Website when they become available.
- (b) Conference automatic qualifiers are determined by the number of teams from a given classification in each conference as follows:
 - (1) 1 - 4 teams = 1 automatic qualifier
 - (2) 5 - 8 teams = 2 automatic qualifiers
 - (3) 9 or more teams = 3 automatic qualifiers
- (c) Conference tournament champions automatically qualify
 - (1) If the regular season champion also wins the tournament, no additional berth will be awarded.
 - (2) If a team other than the regular season champion wins the tournament, it will automatically qualify for the playoffs. The team will be seeded as an at-large berth in the playoffs unless already automatically qualified based upon their regular season conference finish.
- (d) Split conference application
 - (1) The highest finishing team from a given classification will automatically qualify, regardless of overall conference finish.
 - (2) Two teams that finish 1st and 2nd overall in the conference from the same classification will automatically qualify regardless of rule 4.1.18(a)(1-3).

NOTE: Ties for 1st place in the overall conference or for highest finisher in a classification must be broken using the established tie-breaking procedure [rule 4.1.13].
- (e) If too many teams qualify using the above criteria, adjustments to the established bracket size will be made to accommodate the automatic qualifiers.
- (f) If not enough teams qualify using the above criteria, the bracket will be filled by non-automatic qualifiers in that classification.
 - (1) Teams in their classification will be selected to fill the remaining slots in the bracket based upon conference finish then the highest Adjusted MaxPreps ranking.

NOTE: Under no circumstances may a team "leap-frog" a higher finishing team in its own conference. For this procedure split conferences will have their classifications treated as separate entities.

Playoffs/Seeding - Assigning Seeds

- 
- (a) Once the qualifying teams in each classification are determined, they will be divided into two regions of equal size (East and West) based on the longitude of each school.
- (b) The teams in each region will be seeded as follows:
- (1) Seed all 1st place automatic berths by Adjusted MaxPreps ranking (or other NCHSAA selected ranking system); then
NOTE: The highest finishing team in its half of a split conference must finish in 1st, 2nd, or 3rd place overall and/or have an overall winning percentage of .500 or higher in order to be seeded as a #1. Otherwise, the team will be seeded with all other at-large teams.
 - (2) Seed all 2nd place automatic berths by Adjusted MaxPreps ranking (or other NCHSAA selected ranking system); then
 - (3) Seed all 3rd place automatic berths by Adjusted MaxPreps ranking (or other NCHSAA selected ranking system); then
 - (4) Seed all conference tournament champions and at-large berths by Adjusted MaxPreps ranking (or other NCHSAA selected ranking system).
- (c) Once seeding is complete:
- (1) Existing byes will be awarded to the highest seeds possible.
 - (2) The higher seed is the home team unless otherwise determined by the NCHSAA.

2021-2025 Realignment

- ▶ The Board of Directors instructed NCHSAA Staff to delay the start of the Realignment process by one year
 - ▶ Will take the ADM numbers from Fall, 2020 instead of Fall, 2019.
 - ▶ Eliminating the “lame duck year” of the alignment period
 - ▶ New alignment will still begin for the 2021-2022 school year
 - ▶ Decision was to give various committees the opportunity to review the realignment process and the Association’s current classification structure while providing the necessary time for the Board and membership to make any necessary changes to implement their recommendations
