AGENDA ITEM	RECOMMENDATION	SUPPORTING INFORMATION
<p>2. <u>Basketball</u> 5-Quarter Rule</p> <p>[NCBCA]</p> <p>Attachment S2</p>	<p>To allow 9th and 10th-grade players only to participate in five (5) quarters of basketball games on the same day.</p> <p>Proposed Language: “A student shall not participate in more than five quarters per day and will not exceed the seasonal limitation of games, exclusive of Conference Tournaments and State Playoffs. Overtime periods shall be considered an extension of the previous quarter, and participation for any length of time in a quarter shall constitute a full quarter.”</p> <p><i>The Coaches Association would also be amenable to a change that would allow for student-athletes to dress for two (2) basketball contests per day.</i></p>	<p>Rationale: Schools are struggling to field both varsity and JV programs. This would allow schools to place players on each team commensurate with their playing level and ability while allowing for the flexibility of adding depth for the varsity contest.</p> <p>Budget Impact: N/A Educational Impact: N/A Equity Impact: Applies equally to both genders Effective Date: 2022-2023 School Year</p>
<p>3. <u>Wrestling</u> Dual Team Seeding</p> <p>[NCWCA]</p>	<p>To use Rankwrestlers to seed the Dual Team Wrestling playoffs</p>	<p>Rationale: The NCHSAA uses MaxPreps rankings to assist in seeding team playoffs. Wrestling does not use MaxPreps, thus the NC Wrestling Coaches Association approached Rankwrestlers to create a dual team ranking formula. The ranking system will be fair and a better indicator of team strength than overall record alone.</p> <p>Budget Impact: None Educational Impact: None Equity Impact: None Effective Date: Immediately</p>

<p>4. <u>Regional Assignments</u> A. Wrestling [NWCA] B. Discussion of Other Sports</p> <p>(Attachment S5)</p>	<p>A. To correct the imbalance in the 2A and 3A wrestling regions caused by some regions having fewer participating schools: Shift 2A Midstate conference from Midwest to Mideast, Shift 3A Queen City from West to Midwest</p> <p>B. Discuss current process of assigning schools to regions & concern regarding 1A regional assignments for other sports</p>	<p>Rationale: Currently, the 2A Midwest has 30 participating schools whereas the 2A Mideast has 17 schools participating. In 3A, the 3A Midwest has 23 participating schools whereas the 3A West has 31 schools participating. Shifting schools helps to balance this unevenness. Schools in regions with more schools have a tougher time qualifying from regionals to the state tournament.</p> <p>Budget Impact: Possible travel expenses for impacted schools</p> <p>Educational Impact: N/A</p> <p>Equity Impact: Applies equally to both genders</p> <p>Effective Date: 2021-2022 School Year</p>
<p>5. <u>Wrestling</u> Addition of Women's Wrestling as a Sport</p> <p>[NCWCA]</p> <p>Attachment S3</p>	<p>To discuss the current status of women's wrestling as it relates to being sanctioned as a sport with a state championship, as opposed to an invitational. <p>6. <u>Cross Country</u></p> <p>[NCTCCCA]</p>	<p>To modify the NCHSAA Sports Season Dead Period Rule 2.2.14(d)(1)(v) by reducing the end of 2nd semester dead period from the last ten (10) student days of the second semester to the last five (5) days of the second semester</p>	<p>Rationale: This change could be consistent with NCHSAA Sports Season Dead Period Rule 2.2.14(d)(1)(iii) being the “last five (5) student days of the first semester”</p> <p>Budget Impact: None</p> <p>Educational Impact: None</p> <p>Equity Impact: Applies equally to both genders</p> <p>Effective Date: 2021-2022 School Year</p>
<p>7. <u>Cross Country</u></p> <p>[NCTCCCA]</p> <p>Attachment S4</p>	<p>To modify NCHSAA Sports Season Dead Period 2.2.14(d)(1)(vi) by allowing Cross-Country skill development sessions during the NCCA Clinic Week</p>	<p>Rationale: See Attachment S4</p> <p>Budget Impact: None</p> <p>Educational Impact: None</p> <p>Equity Impact: Applies equally to both genders</p> <p>Effective Date: July 1, 2022</p>
<p>8. <u>Cross Country</u></p> <p>[NCTCCCA]</p>	<p>To modify the state championship team qualification procedure from: Basing the number of teams to qualify from each regional from “the number of teams that participate in the regional” to basing that number on the teams that register to participate in the regionals. Registration for regionals is to serve as a “declaration of intent” to participate.</p>	<p>**Discussion Item**</p>

9. <u>Non-Football Playing Schools & Seeding</u>	<p>To review current NCHSAA Handbook Policy 4.3.1(e)(4) and adjust if necessary:</p> <p>“Special Note for non-football playing schools: Six additional basketball games may be played, for a total of 28. These games must be completed prior to the first playing date for football-playing schools. Those six games will not count for seeding purposes.”</p>	<p>Rationale: NCHSAA Staff has received concerns relative to this rule which does not allow for these games to count in the seeding record. Additionally, these games count in the current MaxPreps RPI rankings as entered.</p> <p>Budget Impact: None</p> <p>Educational Impact: None</p> <p>Equity Impact: Applies equally to both genders</p> <p>Effective Date: 2021-2022 School Year</p>

PARTICIPATION GUIDELINES

Overscheduling of competitive events, overuse injuries and burnout have become too common in youth basketball. The tables below outline **recommended** and **maximum** amounts of youth basketball participation, as well as **rest** guidelines for young athletes, designed to promote a fun and healthy playing experience.

RECOMMENDED PARTICIPATION GUIDELINES

Age	Game Length	# of Games Per Week	Practice Length	# of Practices Per Week

MAXIMUM PARTICIPATION GUIDELINES

Age	# of Games Per Day	# of Hrs. Per Week in Organized Basketball
Ages 7-8	1	3 hours
Ages 9-11	2*	5 hours
Ages 12-14	2*	10 hours**
Grades 9-12	2*	14 hours

The maximum participation guidelines outlined above and guidance on camps and academies below are intended to serve as limits on a young athlete's participation in organized basketball. It is possible that participation in organized basketball within the maximum limits but in excess of the recommendations is also not advisable from a health and wellness standpoint; however, this issue requires further study.

**Youth basketball players, parents, and coaches should demonstrate caution in scheduling or participating in more than one game per day, especially on consecutive days. If young athletes participate in an event or tournament in which more than one game is played per day on consecutive days, players should have additional time off from sports activities following the event to allow for recovery.*

***It is recommended that young athletes in these age ranges who are approaching the maximum hour limits not participate in another organized sport concurrently.*

REST GUIDELINES

Age	Min. # of Rest Days Per Week	Max. Months Per Year in Organized Basketball	Recommended Hours of Sleep Per Night

October 29, 2021

To the NCHSAA,

It's my pleasure to write to you on behalf of the North Carolina Sanction NC Task Force. I trust this note finds you well and off to a great year in your school system.

First I'd like to **thank** the NCHSAA Board of Directors and staff for their leadership, partnership, and support of the women's wrestling movement in North Carolina. Our state has a rich history and tradition in the sport, going back to the pioneer days of Sara McMann (recent NWHOF inductee) and continuing to today.

In recent years momentum and numbers have grown for women in our sport, and the NCHSAA has been responsive to that growth. *You have **always** supported participation for women*, and in recent years your support of the NCHSAA Women's Invitational Championships has provided a catalyst for the explosion we are seeing today.

We are now coming to you asking you to take the **next step forward** for women's wrestling in North Carolina. We are submitting a plan to lead us to full sanctioning of women's wrestling in our state. This would include separate divisions for women as well as a sanctioned championship event to be held alongside the men's tournament.

We have worked with wrestling leaders across the state and nation to develop this plan of action, and we believe **the time for its implementation has come**. We trust that you will consider it and work along side the wrestling community in our state to make the dream of NCHSAA sanctioned women's wrestling a reality

Yours in Wrestling,

Ed Duncan

SANCTIONING WOMEN'S WRESTLING

"We should not require young girls to test themselves against males in this sport in order to be a competitive wrestler or to be valued as a good wrestler. It is a tough and demanding sport as it is, and young girls deserve the right to compete with other tough female wrestlers. The longer we force girls to compete against boys, the more we prevent the growth of women's wrestling."

PURPOSE

The purpose of this proposal, presented to the North Carolina High School Athletic Association, is to formally request that women's wrestling be sanctioned as a high school sport in North Carolina, and be provided a women's NCHSAA championship event.

SANCTIONING WOMEN'S WRESTLING

1. Implementation of Girls Wrestling: The proposed plan is to have a transition period that would permit women the option of participating in both their school's men's lineup and women's lineup during regular season contests only. If a tournament only hosts a men's division, then women will have the option of competing in the men's division. If a tournament offers both a men's and women's division, then women would be required to wrestle in the women's division. After the sanctioning of women's wrestling, women would only participate against women at women-only competition and must participate in the women's postseason only.

2. Weight Classes: The NCHSAA will utilize the NFHS weights for women's wrestling. The women's weight classes will be released to all member schools, by the NCHSAA before the first competition date each season.

3. Contest Limits: Women and men will both follow the same contest limitations as listed in the NCHSAA Board Handbook Rule 44, Article 6.

SANCTIONING WOMEN'S WRESTLING

4. Coaching and Practices: A NCHSAA member school who offers both men's wrestling and women's wrestling are permitted to use the same coaching staff to oversee both teams. Furthermore, both the men's and women's wrestling teams that consist of enrolled students from the same school or an approved cooperative may practice at the same time in the same practice facility under the guidance and leadership of the same coaching staff.

5. Postseason and Qualifying Events:

There will be one classification for the NCHSAA Women's Wrestling Championships. Seeding will be determined by several criteria, including overall record, returning placers from the year before's championship, and placement at selected events throughout the regular season.

Future consideration may be given to the addition of regional qualifying events once merited by increased participation numbers.

SANCTIONING WOMEN'S WRESTLING

NCHSAA Women's State Tournament:

1. The State tournament will be established in an 16-person bracket format
2. The State tournament will be held initially in conjunction with the men's dual team state finals. Preliminary rounds would be conducted on Friday, with championship matches contested on Saturday.
3. The top 4 place finishers at the state tournament will be recognized as state medalists.
4. The top 2 team finishers at the state tournament will be recognized as team trophy winners

SANCTIONING WOMEN'S WRESTLING

The Future is NOW!

NORTH CAROLINA HIGH SCHOOL ATHLETIC ASSOCIATION

Meeting of the Board of Directors – Agenda Item Submission

Name(s) : **DePaul Mittman, Executive Director**

School/LEA/Conference/Group: **NC Track & Cross-Country Coaches Association Board of Directors**

We/I request that the following item be placed on the agenda for the next meeting of the NCHSAA Board of Directors:

Recommendation/Proposal: (State in detail the recommendation/proposal):

Proposal: Modify NCHSAA Sports Season Dead Period Rule 2.2.14(d) (1) (vi) by allowing Cross country Skill Development Sessions during the NCCA Clinic Week.

Rationale: (Why should the board consider and possibly pass this recommendation?)

Rationale: There is unmeasurable value in knowing the rules and the latest training and coaching techniques that a coach receives from attending any workshop, especially the annual North Carolina Coaches Association Annual Clinic. Skill Development Sessions, commonly known as “workouts” are valuable to the development of the athlete. The week of the NCCA Coaches Clinic is a “Dead Period” in which Sports Development Sessions are prohibited. The week of July 4 is also a “Dead Period.” During the week of the NCCA clinic, a “Dead Period” day of workouts should occur only on the day(s) of an individual sport’s clinic and rules session. For example, cross country sessions are held on Wednesday. Cross country teams should have the right to hold workouts on Monday, Tuesday, Thursday and Friday. The same principle could apply to the other sports. This proposal is geared toward cross country.

Cross country athletes create their “base” during the summer months in order to complete the 3.1-mile race course. The 2021 season’s first day of practice was August 2 with the first meet being held on August 16. For the 2022 season, July 4-July 17 will be “Dead Periods”. Two weeks of the athletes not being able to work-out with their coach is not in the best interest of the athlete. Two weeks of no training for a sprinter, football or volleyball player just prior to the start of the season is not the same as that of a distant runner. They’re not running 3.1 miles non-stop. This also lends itself to the athletes training by themselves unsupervised or with an unqualified individual.

The additional supervised workout days in the July would help the cross country athletes become acclimated to the heat as they prepare for mandatory practices beginning August 1. This is keeping in line with the NCHSAA Fundamentals of Heat Prevention and Management for all Sports. (2.3.2)

Budget Impact: (What does this mean to a school's/athletic department's finances?)

It will not affect the individual school's finances.

Educational Impact: (Does this mean loss of school time? Does it interfere with study time?)

It will not affect the school day or loss of time.

Gender Impact: (Is this proposal fair to males and females?)

Yes.

Effective Date: (When would this go into effect?)

It would go into effect with the end of the second semester of the 2021-2022 school year.

Signature  **Date** Oct 25, 2021

Proposal: Allow Cross Country workouts during NCCA Clinic Week
