COVID PROTOCOL at GAC

At the time of issuing these guidelines, Guilford County requires all individuals ages 5 and older, regardless of vaccination status, to wear a mask indoors while in a public facility. Therefore, everyone ages 5 and older must wear a mask inside the Greensboro Aquatic Center, except while in the water. The Greensboro Aquatic Center also strongly encourages individuals to maintain distance whenever possible. Compliance with the most current guidelines from Centers for Disease Control and Prevention (CDC), state and local jurisdictions will be maintained throughout the duration of the meet.

FACE COVERINGS

All meet participants – coaches, officials, volunteers, administrators, and athletes (between events) must wear face coverings and comply with facility rules.

WARNING: Failure to follow COVID protocols, may result in removal from facility by staff or referee!

Meet Guidelines

- **No deck changing** will be allowed. Athletes must use the locker rooms. (Rule 3.6.1)
- **No Shaving** will be permitted on site.
- No body art except for the event, heat and lane number is permitted on swimmers. Tattoos are permissible as long as they are not offensive in the opinion of the Meet Referee.
- At no time may a swimmer enter the competition pool without the permission of the deck referee.
- No compression tape may be worn by an athlete unless a written note from a doctor/health professional indicating it is for an injury is delivered to the meet referee prior to the

beginning of the meet. Any tape on athletes should be presented to the Meet Referee prior to the meet for approval.

- Only one suit may be worn in competition; drag suits are not allowed in competition and undergarments are not permitted unless the state association has provided written permission.
- Please ask your swimmers to refrain from flash photography at the start.
- Please keep your team area clean and ensure that the athletes respect the facilities provided to us at Greensboro Aquatic Center.
- Teams may not enter the water or throw coach in pool in celebration.
- A DFS may be taken for an entered event (the referee or deck referee must be notified prior to the start of the event) or the swimmer may be scratched by notifying the admin referee prior to the event being called. In both cases, the entry counts as an event for the swimmer.
- A swimmer who fails to take a DFS or fails to scratch and is a No Show for an event shall be disqualified from further competition in the meet (including relays).
- Dual confirmation of false starts and relay take-offs
- Backstrokers must “step in” for backstroke and the medley relay events. Jumping in is considered a false start (Rule 8.1.3b).
- We will be doing Dive-overs; swimmers, including the last relay swimmer, please stay in the pool at the end of each heat and promptly exit after the start.

Relay Guidelines

- Relay cards will be in your packet on arrival.
- Turn in your cards with correct relay names at the coaches’ meeting; name changes or changes in order may be made to the admin referee or meet referee (forms available at the admin table) before completion of the relay heat.
- Any swimmer on your DA Roster may swim on a relay provided he/she does not exceed the entry limit.
- Boys’ relays will not be permitted to go behind the blocks until the last heat of girls’ relays are in the water.

- Relays are double points.
- The winning and runner up teams will receive plaques.

Ties for 24th (at large) will qualify for state championships.
