2022-23 NCHSAA Handbook

Rules/Guidelines for Women's Golf

4.6 GOLF 4.6.1 General

(h) Coaching – The NCHSAA will allow TWO designated coaches from each school to coach during the regional and state championships. It is a conference option during the regular season. The following regulations must be followed:

- (1) The TWO coaches who are allowed to give advice must be identified during the match via armband, neck tag or other identification measure.
- (2) The TWO designated coaches may give advice, of a short and quick duration, from the tee to the greens and the walk between holes. NOTE: Coaches may not provide continuous coaching while walking with a student-athlete. Once finished, coaches must return immediately to the cart path.
- (3) Any violation of the coaching rule can result in a two-stroke penalty and may cause the coach to lose his privilege to communicate with student-athletes the remainder of the event during the round/rounds.
- (4) Prior to any stroke, the coach must step back from the student-athlete.
- (5) Coaches may not be on the tee box or enter onto the green(s) at any time.
- (6) Use of radios, walkie-talkies, cell phones and other electronic devices by student-athletes or coaches is not allowed. All cell phones must be turned to silent. Violation results in disqualification. A cell phone with a rangefinder application is illegal.
- (7) Use of USGA approved rangefinders is permitted at any time (except for cell phone applications).
 - (i) Yardage measuring devices and information may be shared among student-athletes.
 - (ii) A student-athlete may obtain distance information by using a device that measures distance only.
 - (iii) If, during a round, a student-athlete uses a distance-measuring device that is designed to gauge or measure other conditions that might affect play (e.g. Slope/gradient, wind speed, temperature, etc.), the student-athlete is in breach of USGA Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional function is actually used.
- (8) Others will not be allowed to give advice and must limit conversations to words of encouragement only. Any other types of conversations could be considered advice, which would result in a two-stroke penalty.

- (i) Pull Carts – Non-motorized pull carts are allowed at any time; however, courses may prohibit use of pull carts.
- (j) Student-athletes may not ride on any form of transportation during a stipulated round unless authorized by the NCHSAA.
- (k) Conditions of Competition – Please refer to the NCHSAA website for specific conditions of competition for playoffs.
- (l) Supervision – All student-athletes participating in playoff competition must be supervised. If not, they will be eliminated from competition. If anyone besides school personnel accompanies student-athletes, a letter from the principal must be sent to the NCHSAA authorizing this and a copy of the letter must be in hand at the tournament.
- (m) Filming, Videotaping or Video Streaming – See 2.2.17.
- (n) Double-Par Rule – No student-athlete shall score more than double par on any hole (6 on a par 3, 8 on a par 4 and 10 on a par 5) during the regular season. Once a student-athlete has reached this threshold, the student-athlete shall pick their golf ball up, record a double-par on the scorecard and let the group complete the hole and move onto the next hole.

4.6.2 Regional Playoffs

(c) Playoff Entries

- (1) Late entries may be submitted to the NCHSAA and must be in by 9:00 a.m. the Friday prior to the regional. Use the form on the NCHSAA website.
- (2) Once entries have been submitted to the regional director, coaches can substitute any or all team members up to the start of the tournament. Student-athletes cannot be substituted.

(d) Women's Regional Qualifying Standards

- (1) Teams – Conference champions will receive an automatic berth.
 - (i) Top 3 student-athletes on the team
 - (ii) Student-athletes 4 and 5 may qualify through the Individual Qualifying Standard.
- (2) Individuals
 - (i) 1A/2A and 3A – Golfers must average a 55.0 or better for 9 holes during regular season high school matches.
 - (iii) The average score will be calculated using the best five (5) 9-hole scores from throughout the season. Double-par rule will apply.

(e) Verification Process for Reporting Women's Scores – Please refer to the NCHSAA website for the template and instructions for reporting.

(g) Playing Rules

- (1) Eighteen (18) holes stroke play
- (2) Women on men's teams must play from men's tees.
- (3) USGA rules shall prevail, except where modified by local course rules and approved by the games committee (check with the local pro for any unusual ground rules).
- (4) A games committee must be established and decisions of the committee are final. There should be a minimum of three people knowledgeable about golf rules on the committee, preferably including the local course pro.
- (5) All spectators must stay on the cart paths.
- (6) Caddies are prohibited in the state playoffs, with the exception of those necessitated for physical handicap reasons (this does not include injuries).

(h) Team Scores

- (2) The three lowest women's individual scores from a five-player team will be totaled to determine the women's team score.

(i) Awards – Regional champion and runner-up plaque and awards for the individual medalist and runner-up will be given. Ties will be broken according to the tie breaking procedure in the conditions of competition.

(j) Expenses – Each team will bear its own travel expenses to the regional.

(k) Regional Site Determination – At the regional, a meeting of coaches must be held to select a site and a director for the upcoming season.

- (1) This is a mandatory meeting that will be conducted by the current regional director.
- (2) The current director will then notify the NCHSAA office within 10 days after the completion of the tournament, of the host school and director for the next season.

(l) Women's State Championship Qualifiers – 26 golfers per regional will advance to the state championship:

- (1) Top 3 teams automatically qualify with the best 3 scores.
- (2) Top 17 individuals not on a qualifying team.
- (3) If a school does not finish in the top 3, but qualifies at least 3 individuals, that school will also advance to the state championship as a team.
- (4) A top 3 team could still qualify players #4 and #5, if among the top 17 individuals qualifying.
